Communication skills Great adaptability to multicultural environments, achieved after decades of repeated experiences abroad.

Good communication skills gained through participation in numerous national and international events and congresses as speaker or faculty.

Organisational / managerial skills

Leadership (currently responsible for a team of 16 people).
 Sense of organization and good experience in project and team management (director of a hospital unit).
 Specific training and work experience with quality certification and security standards in health organizations.

Job-related skills

Extensive experience of operating theatre with all the plastic surgery instruments, including microsurgery. Within 38 years he has performed approx. 15,000 operations, mainly in the field of:

- Body-contouring after massive weight loss (MWL): brachioplasty, mastoplasty, tummy tuck, torsoplasty, thigh lift
- Surgery of the breast (reconstructive and aesthetic)
- Rhinoplasty
- Cosmetic Surgery of the face
- Reconstructive surgery of the lower limb
- Reconstructive surgery of the head and neck
- Reconstructive surgery of skin cancers
- Surgery of acute burns and burns outcomes

Digital skills

Advanced handler of hardware and software since 40 years (first PC owned in 1978, first personal professional office computerized in 1982 with a self-programmed database, first personal web-site self-programmed and uploaded in 1995).

Other skills

"Sports addict" since childhood, mainly soccer (amateur regional center-forward), tennis (40 years of agonistic activity), golf (hcp 10, in agonistic activity). In the free time the preferred entertainments are reading and writing (especially non-fiction essays on various topics), listening music (mainly blues) and playing (very badly) electric guitar.

Driving licence

A, B
